

RELIABLE POWER CONNECTIVITY FOR ELECTRONIC PRODUCTS

Power cord assemblies that meet strict quality & safety requirements.

COIN CELL BATTERIES • SECONDARY BATTERIES • PCB ASSEMBLY • ENGINEERING SERVICES
SILICONE, METAL, & INJECTION MOLDED COMPONENTS • CONNECTORS • HARNESSES • & MORE!

CUSTOM POWER CORDS

Power cords are essential components that safely deliver electrical power to electronic equipment and devices.

Kingway supplies custom power cord solutions designed for durability, safety compliance, and dependable performance across a wide range of applications.

Through our global sourcing network and manufacturing partners, we help manufacturers integrate reliable power connectivity into their products while meeting international safety and regulatory standards.

CUSTOM POWER CORD SOLUTIONS

Kingway provides custom power cord assemblies designed to meet the **electrical and mechanical requirements of a wide variety of products.**

- AC power cords for electronic equipment
- Custom cord lengths and configurations
- Integrated connectors and molded plugs
- Heavy-duty industrial power cords
- Power cord assemblies for OEM products

Our power cord solutions can be customized to **match the exact specifications required for your product design.**

CONNECTOR & CONFIGURATION OPTIONS

A **wide range of plug types, connectors, and cable styles** are available to support global electrical standards and product requirements.

- NEMA, IEC, and international plug configurations
- Straight or angled molded plugs
- Detachable and non-detachable cord designs
- Multiple wire gauges and insulation options
- Custom colors, labeling, and strain reliefs

These options allow manufacturers to create power solutions that **match both functional and regulatory requirements.**

APPLICATIONS:

- Consumer Electronics • Industrial Equipment • Appliances • Office Equipment
- Medical Devices • Power Supplies • Electronic Systems

DIRECT SOURCING

SHORTER LEAD TIMES

CUSTOMIZED SOLUTIONS

MAXIMIZED PROFITABILITY

OUR MISSION:

We offer direct sourcing and customized logistics management by utilizing our 30+ years of relationships and experience to deliver better pricing and shorter lead times with the goal of maximizing our customers' profitability.

PRODUCTS:

- Sourcing
- Engineering
- Manufacturing
- Sub-Assemblies
- Full Box Builds

LOGISTICS:

- Customized Plans
- Efficient Packaging
- Expedited Air Freight
- Sea Freight
- Domestic Warehousing
