

# CONNECTORS, TERMINAL BLOCKS, & INTERCONNECT COMPONENTS

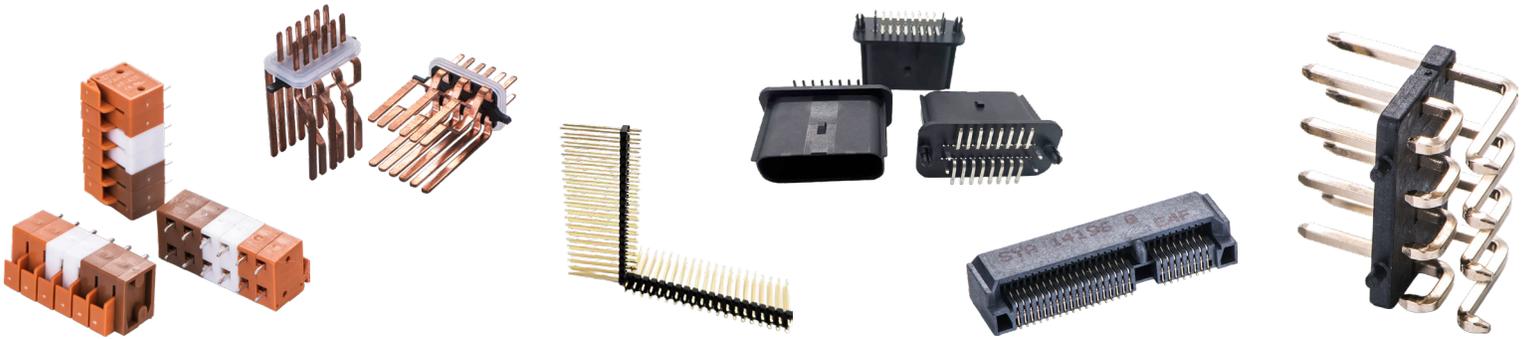

Interconnect components that support reliable system performance.

COIN CELL BATTERIES • SECONDARY BATTERIES • PCB ASSEMBLY • ENGINEERING SERVICES  
SILICONE, METAL, & INJECTION MOLDED COMPONENTS • MAGNETICS • HARNESSES • & MORE!

## INTERCONNECTS

Electrical interconnect components are critical connections that allow electronic systems to function reliably.

Kingway supplies a wide range of connectors, terminal blocks, and custom interconnect solutions designed to support power distribution and signal transmission across electronic products. Through our global sourcing network and manufacturing partnerships, we help engineers integrate dependable electrical connections into products across many industries.

### CONNECTORS & TERMINAL BLOCKS

Kingway provides a **variety of connector and terminal block solutions** used in electronic assemblies and electrical systems.

- Board-to-board connectors
- Wire-to-board connectors
- Terminal blocks for power distribution
- Multi-pin connectors and custom connector assemblies
- Industrial and automotive connectors

These components provide **secure electrical connections that ensure reliable power delivery and signal integrity.**

### CUSTOM INTERCONNECT SOLUTIONS

In addition to standard connector types, **Kingway supports custom interconnect solutions designed to meet specific product requirements.**

- Custom connector configurations
- High-current and power connectors
- Signal and data connectors
- Integrated interconnect assemblies
- Custom housings and connector components

These solutions help engineers **simplify system design while maintaining reliable electrical performance.**

### APPLICATIONS:

- Consumer Electronics • Industrial Equipment • Automotive Electronics • Control Systems  
Power Distribution • IoT Devices • Electronic Modules

# EXPERIENCE YOU CAN BUILD ON

*Kingway brings products from around the world to your door.*

**DIRECT SOURCING**

**SHORTER LEAD TIMES**

**CUSTOMIZED SOLUTIONS**

**MAXIMIZED PROFITABILITY**

## OUR MISSION:

We offer direct sourcing and customized logistics management by utilizing our 30+ years of relationships and experience to deliver better pricing and shorter lead times with the goal of maximizing our customers' profitability.

## PRODUCTS:

- Sourcing
- Engineering
- Manufacturing
- Sub-Assemblies
- Full Box Builds

## LOGISTICS:

- Customized Plans
- Efficient Packaging
- Expedited Air Freight
- Sea Freight
- Domestic Warehousing
