

COMPLETE PCB MANUFACTURING & ELECTRONIC ASSEMBLY SOLUTIONS

PCB assemblies with consistent quality & scalable production.

COIN CELL BATTERIES • SECONDARY BATTERIES • MAGNETICS • ENGINEERING SERVICES
SILICONE, METAL, & INJECTION MOLDED COMPONENTS • CONNECTORS • HARNESSSES • & MORE!

PRINTED CIRCUIT BOARD ASSEMBLY [PCBA]

PRINTED CIRCUIT BOARD ASSEMBLIES FORM THE FOUNDATION OF MODERN ELECTRONIC PRODUCTS

Kingway provides high-quality PCB assembly services that integrate electronic components into reliable circuit boards used across a wide range of industries. Through our global manufacturing network and engineering partnerships, Kingway supports the complete PCBA process — from circuit board fabrication and component sourcing to final assembly and testing.

COMPLETE PCB ASSEMBLY SERVICES

Kingway supports a wide range of PCB assembly requirements, **from small prototype runs to high-volume production.**

- Surface Mount Technology (SMT) assembly
- Through-hole component assembly
- Mixed technology PCB assembly
- Multi-layer circuit board assemblies
- Prototype and production PCB builds

These capabilities allow engineers to bring their electronic designs from concept to **reliable production-ready assemblies.**

COMPONENT SOURCING & INTEGRATION

Kingway's global sourcing network allows us to provide both **PCB manufacturing and the electronic components** required to complete the assembly.

- Microcontrollers and integrated circuits
- Capacitors, resistors, and passive components
- Connectors and interconnect systems
- Sensors and control components
- Custom electronic modules

This integrated sourcing approach helps simplify the supply chain and ensures **compatibility between components and circuit board designs.**

APPLICATIONS:

Consumer Electronics • Industrial Equipment • Medical Devices • Automotive Electronics
Battery Systems • Control Modules • IoT Devices • Smart Products

EXPERIENCE YOU CAN BUILD ON

Kingway brings products from around the world to your door.

DIRECT SOURCING

SHORTER LEAD TIMES

CUSTOMIZED SOLUTIONS

MAXIMIZED PROFITABILITY

OUR MISSION:

We offer direct sourcing and customized logistics management by utilizing our 30+ years of relationships and experience to deliver better pricing and shorter lead times with the goal of maximizing our customers' profitability.

PRODUCTS:

- Sourcing
- Engineering
- Manufacturing
- Sub-Assemblies
- Full Box Builds

LOGISTICS:

- Customized Plans
- Efficient Packaging
- Expedited Air Freight
- Sea Freight
- Domestic Warehousing
